

USCG Marine Board of Investigation

Capsizing of Lifboat SEACOR POWER with Multiple Losses of Life

Hearing Rules

1. Minimize disruptions to the Board and the witnesses.
2. Silence all cell phones.
3. Treat the witnesses and all other participants with respect.
4. Conduct media interviews outside of the hearing venue.
5. Remain masked and comply with other posted COVID protection measures.

Any failure to follow the above rules will result in one warning, and continued behavior will result in removal of the audience member. Warnings or removal of audience members can cause significant delays in the proceedings, so we ask for your cooperation in following these rules throughout this important event.
